A LASTING LEGACY HONORING THE GENEROSITY OF MIRIAM "MAKI" KNIPPLE

At Hospice of Yuma, every gift tells a story of compassion, hope, and an enduring belief in the dignity of every life. Today, we are honored to recognize the extraordinary legacy of Miriam "Maki" Knipple, whose estate gift will touch countless lives through the care and comfort we provide to patients and families.

Miriam was more than a supporter; she was a quiet champion of hospice care, believing deeply in our mission to ensure that no one faces the end of life alone. While Miriam's kindness was often expressed privately during her lifetime, her decision to include Hospice of Yuma in her estate plan speaks volumes about the values she held dear.

With this meaningful gift, Miriam "Maki" Knipple is helping us expand access to compassionate end-of-life care, enhance grief support programs for families, and provide comfort to patients regardless of their ability to pay. In every home visit, every moment of peace, and every embrace between a family and a loved one, Miriam's legacy will be felt.

We are deeply grateful for this enduring act of generosity and humbled to carry forward her vision of a world where everyone receives the care they deserve.

Please take this moment and enjoy as you read this beautiful glimpse of the life of Miriam written by her beloved sister Joan.

MIRIAM "MAKI" KNIPPLE

WRITTEN BY MIRIAM'S BELOVED SISTER, JOAN.

She was born in January 1937 in a log house in Inger, Minnesota, a small community 25 miles from the town of Deer River. My father, who was a Finnish immigrant, had built it and it housed his wife and three children. Finnish was also a big part of the language spoken in the home.

When she was about eight years old the family was given a guitar with a picture of Gene Autry on it! Soon Miriam was playing chords and singing country/western songs. This became one of her favorite things and she continued to do so all of her life, with better guitars of course!

Miriam's first eight years of school were in a one room schoolhouse a few miles from home. High school in Deer River was possible because the school had a unique feature, a dormitory where students spent the school days and nights but going home on weekends. She graduated from Deer River High School in 1953.

After graduation she worked at the First National Bank in Deer River for about three years before moving to California where she had many relatives. She worked for Pan American Airways and joined their flying club earning a pilots license. She made many trips to Minnesota and various other places.

She later left Pan Am and went to Juneau, Alaska where she met and married her husband Charles Knipple. He was a mechanic at Alaska Airlines. They had a home there and later moved to Seattle. After Chuck's retirement they purchased a motor home and for over ten years it became their "home." They traveled to all of the states and most of Canada. When they decided they should settle down and get a house they decided they liked the desert and chose Yuma, Arizona.

After Chuck's death Miriam stayed in Yuma, spending her summers in Minnesota, but now her traveling companion was her sister Joan. They usually made one longer trip each summer. She would leave for Yuma around Labor Day as she did not want to be caught in Minnesota during the winter.

The winter in Yuma before her passing, she still went out to the desert and other places to be "picking and singing" with her guitar.

Thank you Miriam for choosing Hospice of Yuma to
continue your legacy of love.

Ways You Can Support Your Local Nonprofits

While many of our Yuma nonprofits work directly to meet those needs in our community, they are struggling to find the resources to do so. Personally, I can say that Hospice of Yuma has experienced this repeatedly over the last 5 years, and it is very unsettling. Many nonprofits have never bounced back fully from the pandemic which began in 2020. Since that time there have been many changes leading to periods of economic uncertainty and this has impacted many donors negatively. It is understandable why many people have chosen to decrease support. Unfortunately, the decreased support has always seemed to occur at a times when the needs of so many are exploding. I want to share 3 things that you could do to become the hope for so many individuals and families right now in our community who are struggling.

1. Donate Money, Supplies, or Your Time

It is okay if you do not feel comfortable making a monetary donation at this time. Just remember, that if you do want to donate, every penny counts. Sometimes supporters don't give because they think they can't give "enough" to make a difference, but any nonprofit organization will tell you that many small donations add up fast and can make a big difference.

For those of you who are able to file long form on your tax returns, it is never too early to consider an end-of-year gift as it is a wonderful way of helping others and yourselves. Gifts of cash, securities, and real estate are always welcome donations. Please speak with your tax advisor if you believe you can donate and ask how it might help you this tax season.

If you do not have the means to give cash, please consider volunteering your time and talents. Just ask the nonprofit you want to support where you could volunteer to help. Trust me, they will let you know.

2. Share on Social Media

Spreading awareness is a great way to show support, if you are unable to donate or do not have time to volunteer consider sharing your favorite nonprofit's post on social media and encourage your family and friends to follow and support them.

Being an advocate for a Yuma nonprofit you care about will help spread their mission, stories of success, and potentially lead to them receiving donations. Personal testimonies shared about your favorite nonprofit on their social media page encourages others to give and support. As a bonus, you are also spreading uplifting news to your friends and family. Seeing dedicated work from nonprofits can make people feel more hopeful, at a time when we all need to feel more attached and hopeful about the future.

3. Sign Up Online to Make a Recurring Donation

For those that can give, sustainable giving in the form of a small monthly donation helps local nonprofits plan for the future. National data shows that recurring donations are often five times more valuable than a one-time that might be slightly higher in the short term.

Not only are recurring donations critical for nonprofits like Hospice of Yuma, but this is also a great time to become a monthly donor because you can give smaller, more feasible amounts spread out over the year, rather than giving one lump sum.

Recurring gifts are a great way to show support for the local nonprofits and the work they do in the Yuma community without breaking the bank.

We are very thankful at Hospice of Yuma for the many donors who have signed up for repeated monthly donations over the past year. Whether the donation is \$10 a month or \$170 per month (the cost of one day of care for a hospice patient), we are thankful for all of you. So go online to your favorite local nonprofit's website and look for the recurring donation option or pick up the phone, call them, and they will help you get set up.

For more information on how to donate to Hospice of Yuma online, please go to www.hospiceofyuma.com or call us at 928-343-2222.

**In Loving Memory
Joni Lee Sprouse
A Heart for Veterans**

It is with heavy hearts that we share the passing of one of our most beloved Volunteer, Joni Lee Sprouse, who lost her long and courageous battle with cancer. Joni was not only a devoted member of our hospice family—she was a guiding light, a mentor, and a friend whose compassion knew no bounds.

Joni had a heart especially dedicated to our We Honor Veterans program. With every ceremony, she ensured our Veterans received the recognition and dignity they deserved at the end of life. Because of her, a meaningful tradition began: The Wrapping of The Quilt around each Veteran being honored.

Joni found a friend who offered to make these quilts, each tailored to the branch of service, and she penned a heartfelt poem that became a moving part of the ceremony—bringing tears, comfort, and a sense of honor to patients and families alike.

Joni's dedication didn't stop there. She was always the first to volunteer for Veteran Stand Downs, military events, and community outreach opportunities—always ready to share Hospice of Yuma information and speak with warmth and wisdom about our mission. Her presence was powerful, yet comforting, and she had a way of making everyone feel seen and valued.

VOLUNTEER SERVICES

One of Joni's greatest joys was serving alongside her beloved husband, Ed, who is also a We Honor Veterans volunteer. She often spoke about him with deep love and admiration, and every time she saw him in uniform at a pinning ceremony, her eyes lit up—she'd say she fell in love with him all over again. Their partnership and shared devotion to honoring Veterans was truly inspiring.

Beyond hospice, Joni was involved in many other causes, including Wreaths Across America, reflecting her deep love for community, service, and country. Her giving spirit touched countless lives both within and beyond our organization.

Joni's legacy will forever be a part of Hospice of Yuma. Her passion, her traditions, and her extraordinary kindness will continue to inspire all of us who had the honor of knowing her.

We will miss you, Joni. Thank you for everything.

Your heart lives on in every quilt, every ceremony, and every life you've touched.

VOLUNTEER SERVICES

The Heart Behind the Desk: Honoring Our Office Volunteers

Behind every phone call made, admission packet prepared, or report completed is a dedicated Hospice of Yuma Office Volunteer making a quiet but powerful difference. These compassionate individuals generously give their time to support our staff in countless ways—assembling materials for new patients, assisting with data entry, preparing mailings, helping with monthly reports, and offering vital clerical support.

Volunteers don't get paid, not because they're worthless, but because they're priceless.

-Sherry Anderson

Their efforts may often happen behind the scenes, but their impact is felt throughout our entire organization.

Simply put, we couldn't do it all without them.

Our heartfelt thanks go out to these unsung heroes who help keep our mission moving forward with care and compassion.

NEVER FORGOTTEN

In memory of Andy Clarkson

Shared by Linda Clarkson

You'll never be forgotten. That simply cannot be. As long as I am living I'll carry you with me. Safely tucked within my heart, your light will always shine; A glowing ember never stilled, throughout the end of time. No matter what the future brings, or what may lie ahead, I know that you will walk with me along the path I tread. So rest my angel, be at peace and let your soul fly free. One day I'll join your glorious flight for all eternity.

Our patients deserve to have quality of life and dignity during their end-of-life journey. We started our "I Make a Difference" giving campaign in 2019 and because of **YOU** as a sponsor we have raised over \$325,050.00 to date. Our terminally ill patients and families **THANK YOU** for the continued support along with all of us here at Hospice of Yuma. Let's continue making a difference together for our terminally ill patients in our community!!!

LET YOUR LEGACY BE *Quality of Life*

Hospice of Yuma's Legacy Partner Program was established over 10 years ago. The program is designated to provide hospice care to people who may be facing a terminal illness and who may not have the ability to pay for hospice care.

Your donations help Hospice of Yuma, a non-profit organization, continue to serve the Yuma community as we have for the last 43 years. Your donations also help cover the costs for a patient's day of service, pain medications, medical equipment, medical supplies, and a compassionate team of professionals.

Please consider joining our Legacy Partner Program and help Hospice of Yuma continue their mission to help those who need hospice care and continue to be here for generations to come.

To be part of our Legacy Partner Program, the minimum donation is \$170.00. This would make you a Bronze Partner. We also have the Silver, Gold, Platinum, Benefactor and Founder Partner. You can make your donations in whole, quarterly or monthly payments. The option is yours.

Please mail your completed and signed form to:
